Douglas P. Zipes MD, Jose Jalife MD

Cardiac Electrophysiology: From Cell to Bedside Douglas P. Zipes MD, Jose Jalife MD

Here's the updated and revised 3rd Edition of this comprehensive reference that provides the most authoritative and up-to-date information on cardiac electrophysiology -- from cell to bedside. This edition is more compact and succinct than the previous and still manages to include comprehensive coverage ranging from very basic reports on currents and channels, through theoretical and experimental bases of cardiac electrical activity and arrhythmias, to the clinical understanding of mechanisms of arrhythmias and the therapy to treat them.
