As a child, Ally is abandoned on the doorstep of two mysterious women living in the swamp lands of rural Louisiana.

Her childhood is anything but normal, as she spends her days learning the magical and mystical ways of her adoptive Grandmothers.

The poor yet precocious young child grows into a beautiful young woman and on a chance trip to the city meets the prince of her dreams. A Hollywood mogul and Southern Royalty, her Prince sweeps her off of her feet and into a life she never dared dream existed.

But, all is not what it seems. Her Prince is hiding a dark secret that threatens to destroy Ally.

From The Back of The Book:

Ally's tale begins with a shoe... a shoe that would change her life forever.

There was a prince, a fairy God mother, and an ancient wise one...

An Immortal true love who would follow her into Eternity...

And a Mortal Love, who would follow her through time, carrying with him a secret, hidden away on the bottom of a tiny glass slipper...

Step through the looking glass, and enter a world where magic is real, and anything is possible.
