A scarce book by one of the finest young documentary photographers to come out of the Netherlands in recent years. Printed and published the old-fashioned way (rather than as a print-on-demand book), Hornstra's first two books sold out quickly. Communism and Cowgirls was done as a graduation project at the Academy of Arts in Utrecht in 2004. It is a riveting documentary focusing on the first generation of young people to grow up after the fall of the Soviet Union.
