If you build it, love will come...to Hope's Crossing.

Alexandra McKnight prefers a life of long workdays and short-term relationships, and she's found it in Hope's Crossing. A sous chef at the local ski resort, she's just been offered her dream job at an exclusive new restaurant being built in town. But when it comes to designing the kitchen, Alex finds herself getting up close and personal with construction foreman Sam Delgado....

At first glance, Sam seems perfect for Alex. He's big, tough, gorgeous—and only in town for a few weeks. But when Sam suddenly moves into a house down the road, Alex suspects that the devoted single father of a six-year-old boy wants more from her than she's willing to give. Now it's up to Sam to help Alex see that, no matter what happened in her past, together they can build something more meaningful in Hope's Crossing.
