**Leonardo da Vinci Topical Study: Lapbook Books, Time-Line Game, and More** Mrs Catherine McGrew Jaime

Leonardo da Vinci is such a great topic to do with students of all ages! But a teacher's first dilemma is where to start? Catherine solves that problem here in this one, easy to use book. It combines the information from her first two books on the topic: *Da Vinci: His Life and His Legacy* and *Doing Da Vinci for Kids*. She gives you the factual information you need, and lays out a plan for teaching the topic - whether you have one class period, ten, or more. She divides the information into chapters based on the many aspects of his life:

Leonardo the Mathematician, Leonardo the Architect, Leonardo the Military Advisor, Leonardo and the Horse, Leonardo and Human Anatomy, and more. She includes the factual information, ideas for hands on-activities on many of them, several word searches and more. There is also a lapbook on Leonardo da Vinci that can serve as a great introduction to him, and a time-line game that makes a wonderful review of his life and his legacy. If you are looking for a simple to use, all inclusive way to do a unit study on Leonardo da Vinci, this is all you will need! In addition to including all of *Da Vinci: His Life and His Legacy* and *Doing Da Vinci for Kids*, this book includes most of Catherine's booklet, *Exploring Da Vinci's Last Supper*, and excerpts from her first three historical novels on him, *Leonardo the Florentine*, *Leonardo: Masterpieces in Milan*, and *Leonardo: To Mantua and Beyond*. Those three novels are available separately or in one volume as *The Life and Travels of Da Vinci Trilogy*. Those novels make great read alouds for younger students, or can be enjoyed by older students and adults alike.
