Magistrates and Pioneers Warren M. Billings

Magistrates and Pioneers: Essays in the History of American Law. Foreword by Mark F. Fernandez. Clark: The Lawbook Exchange, Ltd., 2011. xix, 460 pp.

Magistrates and Pioneers collects eighteen essays (five of which are new) by the historian Warren M. Billings. They address the main areas of his research, nineteenth century Louisiana and seventeenth century Virginia. From Opechancanough, a seventeenth-century Indian chief to Sir William Berkeley, colonial governor of Virginia, to Edward Livingston, coauthor of Louisiana's first civil code, to the legendary Louisiana Governor and U.S. Senator Huey Long, Billings brings to life the forces behind the legal development of these two historically distinctive states. Many of these are classic essays, all are essential to students of American legal history.
