Slaves, Women & Homosexuals: Exploring the Hermeneutics of Cultural Analysis

William J. Webb

Slaves, Women & Homosexuals: Exploring the Hermeneutics of Cultural Analysis William J. Webb

In *Slaves, Women & Homosexuals* William J. Webb tackles some of the most complex and controversial issues that have challenged the Christian church--and still do. He leads you through the maze of interpretation that has historically surrounded understanding of slaves, women and homosexuals, and he evaluates various approaches to these and other biblical-ethical teachings. Throughout, Webb attempts to "work out the hermeneutics involved in distinguishing that which is merely cultural in Scripture from that which is timeless" (Craig A. Evans). By the conclusion, Webb has introduced and developed a "redemptive hermeneutic" that can be applied to many issues that cause similar dilemmas. Darrel L. Bock writes in the foreword to Webb's work, "His goal is not only to discuss how these groups are to be seen in light of Scriptures but to make a case for a specific hermeneutical approach to reading these texts. . . . This book not only advances a discussion of the topics, but it also takes a markedly new direction toward establishing common ground where possible, potentially breaking down certain walls of hostility within the evangelical community."

From reader reviews:

Todd Crain:

What do you in relation to book? It is not important with you? Or just adding material when you need something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this Slaves, Women & Homosexuals: Exploring the Hermeneutics of Cultural Analysis to read.

Richard Swisher:

Nowadays reading books be than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want feel happy read one together with theme for entertaining such as comic or novel. The actual Slaves, Women & Homosexuals: Exploring the Hermeneutics of Cultural Analysis is kind of book which is giving the reader unstable experience.

Frederick Cagle:

Reading a reserve tends to be new life style on this era globalization. With looking at you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some research before they write with their book. One of them is this Slaves, Women & Homosexuals: Exploring the Hermeneutics of Cultural Analysis.

Donna Muniz:

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you could have done when you have spare time, and then why you don't try factor that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Slaves, Women & Homosexuals: Exploring the Hermeneutics of Cultural Analysis, you could enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't understand it, oh come on its identified as reading friends.
