You will do as your master says, won't you, pet?

The Sadist's Proposition: He wants your complete and utter submission.

Jen Smith had to walk out on her boyfriend after she catches him cheating, but she was too scared to stay at a shelter.

No one else was willing to take her, until a wealthy businessman found her. He offers to take her to all the finest stores and feed her all the finest food, and he only asks one thing: fulfill his sadistic sexual appetites. Will she be able to stomach the pain for financial security?

The Sadist's Return: The sequel to The Sadist's Proposition is here!

Jen Smith thought she had it made: all the money in the world was going to be at her finger tips, and all it took was a little sex -- she was happy to go along with that. But the billionaire master that bought her body walked out after she got bratty and talked back. Would he dump her back out on the street? Jen thought so.

After making her squirm he does come back, though, and she begs for his forgiveness. He makes sure she pays for her insubordination with her body.

The Drug Trial: She's gambling one night on her whole future

Tracy Bennett is a chemist, and she's working on a particularly interesting project for the government -- all top secret, of course. The goal? Mind control. She wasn't the first person chosen for the job, but the last one ended up violently attacked in a trial gone wrong. If Tracy manages to bring in a working drug, it could mean she is set for life, but the threat of making a deadly mistake pushes the deadline back further and further.

One night, her husband tells her that he's solved it. He's read her files, and he's solved the puzzle of the mind control drug's flaw. All he wants from her in exchange for the solution is one thing: He gets to be the first to test it, on her...
