Lost & Found

"That's not my baby!"

Lord Barrett Montgomery awoke from a six-week coma only to discover that he was a new father...and the mother was gone. When Zoey Kincade, the hauntingly irreverent social worker, brought him his baby daugther, he knew something was wrong when the infant in his arms turned out to be a *he* instead of a *she*!

Thrown together by fate, Barrett and Zoey soon learned that a life of hiding from an unknown enemy was a more intimate experience than either had bargained for. But with *two* infants in tow, and their hearts on the line, they couldn't hide out forever...not when love was at stake.
