The Haunted (Harbingers) (Volume 2) Frank Peretti

"I've found something, James, something atypical. The locals have their legends about it, how it's a harbinger of death, how it knows you, follows you . . . takes you." A strange little town given to the occult, and a different kind of "haunted house" that appears, disappears, follows people to their day of reckoning, and then . . . Professor McKinney, Andrea, Brenda, and Tank are brought together once again by divine appointment to confront a supernatural mystery, a case of murder, and an exploration into the darkness of the human heart.
