Albert Einstein - His Human Side Swami Tathagatananda

"Today the world knows Albert Einstein as a synonym for scientific genius, the man who showed us the fundamental unity of mass, energy, time and space. In this book, Swami Tathagatananda highlights Einstein's humane genius, informed by his understanding of the fundamental unity of all beings. We learn of his passion for peace in the turmoil of war, his fight for tolerance and understanding against hatred and injustice, his sympathy with the plight of common people. It is a vital and necessary message for our times." Alex S. Johnson, MA, Author - Professor of English, Los Angeles Harbor College, Wilmington, California
