Common Sense (Penguin Classics)

Thomas Paine

Common Sense (Penguin Classics) Thomas Paine

Published anonymously in 1776, the year of the American Declaration of Independence, Paine's *Common Sense* became an immediate best-seller, with fifty-six editions printed in that year alone. It was this pamphlet, more than any other factor, which helped to spark off the movement that established the independence of the United States. From his experience of revolutionary politics, Paine drew those principles of fundamental human rights which, he felt, must stand no matter what excesses are committed to obtain them, and which he later formulated in his *Rights of Man*.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From reader reviews:

Hyacinth Mills:

As people who live in the particular modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era that is always change and move forward. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to a person is you don't know which you should start with. This Common Sense (Penguin Classics) is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Casey Schnell:

Common Sense (Penguin Classics) can be one of your beginning books that are good idea. Many of us recommend that straight away because this reserve has good vocabulary that will increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to get every word into satisfaction arrangement in writing Common Sense (Penguin Classics) however doesn't forget the main level, giving the reader the hottest in addition to based confirm resource info that maybe you can be one of it. This great information can certainly drawn you into brand new stage of crucial thinking.

Dawn Fernandez:

This Common Sense (Penguin Classics) is great reserve for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can claim no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having Common Sense (Penguin Classics) in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no reserve that offer you world throughout ten or fifteen moment right but this publication already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

Donald Barber:

Is it you who having spare time then spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Common Sense (Penguin Classics) can be the solution, oh how comes? A book you know. You are consequently out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these ebooks have than the others?
