Don't gamble on the most important exam of your career! The Johns Hopkins University was the birthplace of the Internal Medicine residency and has led the field ever since. Now it's also the source of the most effective review tool in the specialty! Seventy respected experts summarize everything you need to know for certification or recertification, focusing on the information you really need. Then, they test your knowledge with 1,050 questions and answers online - more than you'll find in any other internal medicine review tool. The web site offers you a highly realistic exam simulation as well as detailed feedback on your performance.

- Thoroughly test your knowledge with questions mirroring the content and format of the ABIM exam - far more than you'll find in any other review text
- View clinical images, many in full color, covering all the image types you'll see on the boards - including x-rays, common skin findings, peripheral blood smear, ophthalmology findings, and CT and MR images
- Add your own notes in the margins or check off content that you've mastered as you go along.
- A Web address will be included at the end of every chapter, which make finding the examination questions easy.
- All content will be revised to include the latest research in the field, ensuring the most relevant information and on-line questions.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should online access to the web site be discontinued.
