Scotty is sure that she was betrayed by Nick, so she wants nothing more to do with him. Unfortunately, her life is endangered by Mr. Lucas, as she is abducted by him and spirited away to an island far away from New York City.

Nick begins a desperate search for Scotty, knowing that every minute that Scotty is in the hands of Mr. Lucas is another minute that she is horribly suffering. But can he find her before too much damage is done? And can he convince her, once and for all, that he did not betray her?

And, in the end, can he finally convince her to truly trust him? Or is she still just too broken?
