Stepping Between Realities Michael J. Roads

In Michael J. Roads' latest book, *Stepping... Between ... Realities*, his metaphysical adventures take him to the galaxy in which we physically live—a galaxy with which we have only a remote relationship. We are not alone! He metaphysically enters a black hole for an experience beyond his wildest imaginings. He encounters a galactic Being which is a galaxy within itself, and also visits a few of the many utterly amazing astral worlds. Michael explains, "Over my lifetime I have learned that it is possible to move into my metaphysical Light-body and access that greater reality. I step . . . Between . . . realities. This book is filled with my unique insights gained by metaphysically journeying into realms and realities beyond imagination. My astonishing, consciousness-expanding journey into the dynamic, living energy we call our sun, is just one such indication of the miraculous universe in which we live. The galaxy is not dead matter and endless space; it is filled with consciousness, purpose, direction . . . life!" This latest book follows Michael J. Roads' popular trilogy "Through the Eyes of Love, Journeying with Pan" Books One, Two and Three.
