Untamed Leadership: A Journey Through the Instincts That Shape Us Brent A. Carter

Instincts shape who we are as leaders. They encapsulate the social variety we exhibit to others, from the servant to the tyrant. Though they are integrated into our every thought and deed, we are relatively unaware of what they are or how they impact us. Perhaps the frenzied lives we lead are to blame, or maybe we spend too much time developing the veneer of leadership rather than excavating its core substance. No matter the cause, each day we are presented opportunities to make differences in the lives we touch. As we awaken to the reality that who we are on the inside has a direct role in what we project on the outside, we will have begun the process of apprehending Untamed Leadership.
