Vietnam to Western Airlines

Vietnam to Western Airlines

This oral history of the air war in Vietnam includes the stories of more than thirty pilots who all had one thing in common-after returning from Southeast Asia and separating from the service, they were hired as pilots by Western Airlines. As the chapters begin, Bruce Cowee tells his story and introduces us to each pilot. The interesting theme is that all of these men served in Southeast Asia and in most cases never knew each other until they came home and went to work for Western Airlines. Each of the pilots featured in this book is the real thing, and in an age of so many "Wannabees," it is reassuring to know that each of them was a pilot for Western Airlines and someone who Bruce worked with or knew professionally. The stories span a 9 year period, 1964 - 1973, and cover every aspect of the Air War in Southeast Asia. These 33 men represent only a small fraction of the Vietnam veterans hired as pilots by Western Airlines, but this book pays tribute to all of them.
