Something is not right with Nadia Cara. While spending a year in Florence, Italy, she's become a thief. She has secrets. And when she tries to speak, the words seem far away. Nadia finds herself trapped by her own obsessions and following the trail of an elusive Italian boy whom only she has seen. Can Nadia be rescued or will she simply lose herself altogether? Set against the backdrop of a glimmering city, *One Thing Stolen* is an exploration of obsession, art, and a rare neurological disorder. It is also a celebration of language, beauty, imagination, and the salvation of love.
