The Notebooks of Leonardo Da Vinci - Complete (Annotated Leonardo Da Vinci

Renaissance humanism recognized no mutually exclusive polarities between the sciences and the arts, and Leonardo's emphasis in science and engineering are as impressive and innovative as his artistic work. These studies were recorded in 13,000 pages of notes and drawings, which fuse art and natural philosophy (the forerunner of modern science), made and maintained daily throughout Leonardo's life and travels, as he made continual observations of the world around him.

This edition has been formatted for your Kindle, with an active table of contents. It has also been annotated, with extensive additional information about the notebooks and also Leonardo Da Vinci, including an overview, detailed information about various parts of the notes, information about his genius, professional life, personal life, fame and reputation.
