There Shall Be No Needy: Pursuing Social Justice through Jewish Law and Tradition

Rabbi Jill Jacobs

There Shall Be No Needy: Pursuing Social Justice through Jewish Law and Tradition Rabbi Jill Jacobs

How can a Jewish approach to social justice offer positive change for America?

"Ancient texts offer significant wisdom about human nature, economic cycles, the causes of inequality, and our obligations to each other. These insights can inform our own approaches to current issues, challenge our assumptions, and force us to consider alternative approaches. The conversation between our texts and our lives can enrich our experience of both."

?from the Introduction

Confront the most pressing issues of twenty-first-century America in this fascinating book, which brings together classical Jewish sources, contemporary policy debate and real-life stories.

Rabbi Jill Jacobs, a leading young voice in the social justice arena, makes a powerful argument for participation in the American public square from a deeply Jewish perspective, while deepening our understanding of the relationship between Judaism and such current social issues as:

Poverty and the Poor

Collection and Allocation of *Tzedakah*

Workers, Employers and Unions

Housing the Homeless

The Provision of Health Care

Environmental Sustainability

Crime, Punishment and Rehabilitation

By creating a dialogue between traditional texts and current realities, Jacobs presents a template for engagement in public life from a Jewish perspective and challenges us to renew our obligations to each other.

You will easily to buy this particular book in the book retailer or you can order it by means of online. The publisher of this book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Touch screen phone. So there is no reason for you to past this e-book from your list.

Minnie Rivera:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this There Shall Be No Needy: Pursuing Social Justice through Jewish Law and Tradition can make you feel more interested to read.
