It is natural that we experience many beginnings in our lifetimes – these beginnings, both exciting and sometimes a little scary, can mean many things for us here in the world of Student Affairs. For us, beginnings can range from a new project or role, all the way to a new institution and home. For this book,, we asked #SAGrads and #SAFirstYears to share a piece of their current journey with us. We asked “If you had the opportunity to talk to SA colleagues – regardless of where they are in their journey – about what you’re experiencing now, what would you say?” Join us as we hear from a diverse community of emerging and new #SAPros – a time to celebrate new beginnings, and continue to support one another as we follow the path of our own journeys.
