## **Ravensblood** Shawna Reppert

In a life of impossible choices when sometimes death magic is the lesser of the evils, can a dark mage save the world and his own soul?

Corwyn Ravenscroft. Raven. The last heir of an ancient family of dark mages, he holds the secret to recreating the Ravensblood, a legendary magical artifact of immense power.

Cassandra Greensdowne is a Guardian. Magical law enforcement for the elected council— and Raven's former apprentice and lover. She is trying to live down her past. And then her past comes to the door, asking for her help.

As a youth, Raven wanted to be a Guardian but was rejected because of his ancestry. In his pride and his anger, he had turned to William, the darkest and most powerful mage of their time. William wants a return to the old ways, where the most powerful mage was ruler absolute. But William would not be a True King from the fairy tales. He would reign in blood and terror and darkest magic.

Raven discovers that he does have a conscience. It's rather inconvenient.

He becomes a spy for the council that William wants to overthrow, with Cassandra as his contact.

Cass and Raven have a plan to trap William outside his warded sanctuary. But William is one step ahead of the game, with Raven's life, his soul, and the Ravensblood all in danger.

Ravensblood won a Gold Medal in the 2014 Global E Book Awards. The author's first novel, *The Stolen Luck*, won a Silver Medal in the Global E-Book Awards and a 2014 Eppie Award.

Word count approximately 89,000 words
