Six Principles of Manhood Pastor Kevin Cunningham

As we take closer looks at the world that we live in today, there are a lot of things we can see, but we might have a hard time making sense of those things that are seen. Our society is ever changing and morally degrading its way into things...The only recourse of action to take is a serious introspection to...be responsible for the things that are left undone and unaccounted for. Our world is in dire need of repair and restoration and it must begin within the confines of our immediate families...We must start with the head and roots of our family, which is the Man. One of God's most effective and greatest resources is a man who is fully dedicated and willing to stand in the gap and call those things which be not as though they were. All it takes is one man!
