## **The Beauty Queen of Leenane and Other Plays** Martin McDonagh

These three plays are set in a town in Galway so blighted by rancor, ignorance, and spite that, as the local priest complains, God Himself seems to have no jurisdiction there.

*The Beauty Queen of Leenane* portrays ancient, manipulative Mag and her virginal daughter, Maureen, whose mutual loathing may be more durable than any love. In *A Skull in Connemara*, Mick Dowd is hired to dig up the bones in the town churchyard, some of which belong to his late and oddly unlamented wife. And the brothers of *The Lonesome West* have no sooner buried their father than they are resuming the vicious and utterly trivial quarrel that has been the chief activity of their lives.

"[McDonagh is] the most wickedly funny, brilliantly abrasive young dramatist on either side of the Irish Sea.... He is a born storyteller."--*New York Times*
