On April 15, 2009, a grassroots contingency of Americans that would soon become known around the world as the Tea Party made front-page news. Angered by years of excessive government spending-taxpayer financed bailouts of businesses deemed too big to fail and taxpayer handouts to special interest groups-Americans of all ages and all walks of life took to the streets to take back their country. *A New American Tea Party: The Counterrevolution Against Bailouts, Handouts, Reckless Spending, and More Taxes* is their story, and it's your guide for contributing to the movement to rein in government spending.
