America's New Democracy (5th Edition)

Morris P. Fiorina, Paul E. Peterson, Bertram Johnson, William G. Mayer

America's New Democracy (5th Edition) Morris P. Fiorina, Paul E. Peterson, Bertram Johnson, William G. Mayer

This concise, highly affordable text provides an engaging, analytical approach to American Government that stresses the importance of elections in contemporary American politics.

Written in a strong narrative voice and brimming with student-relevant examples, *America's New Democracy* provides a focused and stimulating treatment of politics in the United States. Illustrating popular influence across the political system in defense of a central theme—that elections matter more in America's political system today than they have in the past or do in other democracies—the book challenges the pessimistic view that government seldom listens to ordinary people. *America's New Democracy* encourages readers to see that in a system where votes are the main currency, both power and responsibility rest on the shoulders of *all* citizens.
