## **REVEL for Social Problems -- Access Card (6th Edition)** John J. Macionis

Rather than simply presenting social problems as a series of facts, REVEL for *Social Problems*, Sixth Edition focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from various points of view, author John Macionis explains why people disagree about what the problems are, and how one person's "problem" may well be another's "solution." Once students understand how social problems are defined politically, they will have the knowledge they need to engage in solving social problems through activism and political discussion.

REVEL™ is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students.

**NOTE:** REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.
