## **Rightly Dividing the Word** Bob Pulliam

Language is fundamental to the human experience. We typically communicate with, and understand each other. But all too often this capability flies out the window when we open our Bibles. Rightly Dividing the Word is designed for a class study of how communication is correctly understood. Specifically the communication of Scripture.

Replete with Bible examples to help the student make application, these 24 lessons will begin by clearing away the debris and rubble that hinders accurate Bible understanding, and then builds a solid foundation for consistently being fair with God's message to mankind.
