## **Surgical Management of Endometriosis** David B Redwine MD

Filling a void in the literature, this book brings together respected authorities in the field to solve the puzzle that is endometriosis. The editor begins with an overview of the subject, based on his broad familiarity with the literature and quarter century of experience, that provides a foundation for understanding the confusion surrounding the disease. He cover surgical treatment of endometriosis using any one of a number of surgical energy systems. All aspects of these techniques are explored, from anatomy to step-by-step instructions. The illustrations of surgical strategies combined with guidance from surgical experts help the reader decide which technique is appropriate for their needs.
