First published in 1899, it tells the story of Dora, Oswald, Dicky, Alice, Noel, and Horace Octavius (H. O.) Bastable, and their attempts to assist their widowed father and recover the fortunes of their family; its sequels are *The Wouldbegoods* and *The New Treasure Seekers*. The novel's complete name is *The Story of the Treasure Seekers: Being the Adventures of the Bastable Children in Search of a Fortune*.

The story is told from a child's point of view. The narrator is Oswald, but on the first page he announces: "It is one of us that tells this story – but I shall not tell you which: only at the very end perhaps I will. While the story is going on you may be trying to guess, only I bet you don't."
