**Boss Girl** Nic Tatano

~

Sydney Hack is the single, thirtysomething VP of news for a failing network... and she also has a taste for younger men.

She soon realizes a whole lot of over-thirty female viewers do as well, so she sets out to give these women what they want; a chiseled, trophy buck in his twenties sitting on the anchor desk next to a woman...

Just.

Like.

Them.

With nothing to lose she does the unthinkable; along with three female managers who happen to be her best friends she brings out the casting couch and turns it into a sleeper sofa. Doesn't matter that the men have no television experience. As long as they look good. And there's a hint of romance in every newscast.

Ratings skyrocket as a result, but Sydney and her female cohorts discover something else along the way...

True love is not always age appropriate.
