Fool Me Twice: An If Only novel Mandy Hubbard

Enjoy *Fool Me Twice* and the other standalone titles in Bloomsbury's contemporary If Only romance line centered around an impossible problem: *you always want what you can't have!*

Mackenzie and Landon were the perfect couple . . . until he dumped her and broke her heart. Fast-forward a year and they're back where they first met?Serenity Ranch and Spa, where they are once again working together for the summer. Talk about awkward.

Then, Landon takes a nasty fall and gets amnesia. Suddenly, he's stuck in the past?literally. His most recent memory is of last summer, when he and Mack were still together, so now he's calling her pet names and hanging all over her. It's the perfect chance for revenge. The plan is simple: keep Landon at arm's length, manipulate him so *he's* the one falling love, and then *BAM*, dump him. There's just one problem: Mack can't fall for Landon all over again.

The **If Only** romance line is all about wanting what you can't have, and Mandy Hubbard's hilarious break-up/love story is sure to captivate anyone who has ever wished for a second shot at love.
