## A Taste of What's Inside...

### PROPHETIC LISTENING -

"Can a prophet develop a greater capacity to hear the voice of God? In this chapter I want to deal with prophetic listening to the voice of God. I will be showing how the prophet hears the voice of God, how God speaks and how it is possible for us to hear, take heed and receive from Him, especially as the prophets of God, that we may speak forth His words into the earth. We first have to hear, and before we can hear we have to learn how to listen."

### PROPHETIC INTERCESSION -

"So many people think that intercession is taking a whole list of requests and bringing them to the Lord and bombarding Him, and bombarding Him, and hammering it, and hopefully one of us will get it right and we will obtain the answer. No! I have found that the kind of prayers that bring instant results is when the intercessor comes into the presence of God and starts out by getting into the Throne Room and then waits. He says, 'Okay, Lord, I'm charged, I'm ready! Just give me the decree and I'll issue it'."
