American Armies and Battlefields in Europe is a unique volume that captures the AEF's lessons of battle during World War I. Based on the series of battlefield tours conducted for staff officers at General John J. Pershing's headquarters, the operational chapters describe the military situation, giving detailed accounts of actual fighting supported by maps and sketches, and a summary of events and service of combat divisions. Topical chapters on the Services of Supply, the U.S. Navy, military cemeteries and memorials, and other interesting and useful facts conclude the narrative. For scholars and students of the Great War, as well as veterans and their descendants wishing to find battle sites of long ago, this guidebook remains the most authoritative and easily usable source for visitors to the AEF's battlefields.
