Entrepreneurship, Innovation, and the Growth Mechanism of the Free-Enterprise Economies

Entrepreneurship, Innovation, and the Growth Mechanism of the Free-Enterprise Economies

How much credit can be given to entrepreneurship for the unprecedented innovation and growth of free-enterprise economies? In this book, some of the world's leading economists tackle this difficult and understudied question, and their responses shed new light on how free-market economies work--and what policies most encourage their growth.

The contributors take as their starting point William J. Baumol's 2002 book *The Free-Market Innovation Machine* (Princeton), which argued that independent entrepreneurs are far more important to growth than economists have traditionally thought, and that an implicit partnership between such entrepreneurs and large corporations is critical to the success of market economies.

The contributors include the editors and Robert M. Solow, Kenneth J. Arrow, Michael M. Weinstein, Douglass C. North, Barry R. Weingast, Ying Lowrey, Nathan Rosenberg, Melissa A. Schilling, Corey Phelps, Sylvia Nasar, Boyan Jovanovic, Peter L. Rousseau, Edward N. Wolff, Deepak Somaya, David J. Teece, Naomi R. Lamoreaux, Kenneth L. Sokoloff, Yochanan Shachmurove, Ralph E. Gomory, Jonathan Eaton, Samuel S. Kortum, Alan S. Blinder, Robert J. Shiller, Burton G. Malkiel, and Edmund S. Phelps.

From reader reviews:

Sheila Foxworth:

Playing with family in the park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Entrepreneurship, Innovation, and the Growth Mechanism of the Free-Enterprise Economies, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

Mary Olive:

Are you kind of busy person, only have 10 or perhaps 15 minute in your moment to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your limited time to read it because this all time you only find e-book that need more time to be go through. Entrepreneurship, Innovation, and the Growth Mechanism of the Free-Enterprise Economies can be your answer mainly because it can be read by you actually who have those short spare time problems.

Mary Jones:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Entrepreneurship, Innovation, and the Growth Mechanism of the Free-Enterprise Economies can make you feel more interested to read.

Carolyn Ziolkowski:

Reading a guide make you to get more knowledge from this. You can take knowledge and information from a book. Book is created or printed or outlined from each source this filled update of news. On this modern era like right now, many ways to get information are available for an individual. From media social like newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just in search of the Entrepreneurship, Innovation, and the Growth Mechanism of the Free-Enterprise Economies when you desired it?
