Developments in Central and East European Politics 5

Developments in Central and East European Politics 5

This fifth edition of *Developments in Central and East European Politics* maintains the series' status as the most up-to-date and authoritative guide to political transformations in the region. The countries that emerged from the collapse of communism between 1989 and 1991 embarked on transitions to democracy and a market economy that were profoundly affected by developments such as the expansion of the European Union (EU) and NATO.

Central and East Europe is a large, extremely diverse region, encompassing full-fledged EU members—the Czech Republic, Hungary, Poland, Estonia, Latvia, Lithuania, Slovenia, and Slovakia, followed later by Bulgaria and Romania—as well as nations of the Western Balkans that are progressing at various speeds along the EU path—Croatia, about to join; Macedonia, Montenegro and Serbia, with EU candidate status; and Albania, Bosnia and Herzegovina, and Kosovo, struggling to keep up. The region also includes the East European states of Ukraine, Belarus, and Moldova. In this collection, leading authorities examine how these heterogeneous nations have fared since the collapse of communism. The contributors look at executive leadership, elections and voter behavior, parliamentary systems, political parties, citizen engagement in civil society, the effects of neoliberalism, and the quality of life in postcommunist democracies. Most of the essays are new to this edition; the rest have been thoroughly updated.

Contributors. Judy Batt, Sarah Birch, Nathaniel Copsey, Terry Cox, Rick Fawn, Tim Haughton, Krzysztof Jasiewicz, Paul G. Lewis, Frances Millard, David M. Olson, Mitchell A. Orenstein, Andrew Roberts, Ray Taras, Stephen White, Andrew Wilson
