*Devotional Classics: Revised Edition* is an updated and expanded edition of Renovaré's companion to the devotional life. Edited by Richard J. Foster and James Bryan Smith, this version incorporates all six traditions, or "streams," that comprise a healthy and holistic life of Christian faith. The fifty-two selections in *Devotional Classics* have been organized to introduce the reader to the great Christian devotional writers over the course of one year, through an introduction and meditation by Foster, a related biblical passage, discussion questions, and individual and group exercises. *Devotional Classics* is indispensable for those looking for a deeper and more balanced spiritual life.
