Courage is not the absence of fear, but deciding that something is more important than fear. When faced against a dark spell that turns everyone into trees, it can be hard to muster up the courage to find the sorcerer responsible and reverse it. However, a young lady named Alpha was able to do just that. What was it that gave her this courage?

In the kingdom of Majesty Peak, there came a time when King Julius and Queen Agatha rejoiced in the birth of their daughter, Princess Alpha. Jealous of the joyous celebrations from her place of exile, a witch named Cecilia ordered her sorcerer-at-arms to create a spell to make everyone unhappy for eternity. Realizing the danger that they were in, the King and Queen sent their daughter far away into the outskirts of the kingdom before the spell could take hold. Many years later, when Alpha had grown up into a young lady, the people who raised her decided it was time to tell her the truth about her secret past. Her yearning to be reunited with her parents provides her with the courage and determination she needs to overcome her fear and confront the sorcerer involved.
