Phyllis Thompson:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As
