## **Gateways to Democracy: An Introduction to American Government (with Aplia Printed Access Card) (American and Texas Government)** John G. Geer, Wendy J. Schiller, Jeffrey A. Segal

GATEWAYS TO DEMOCRACY continues with its framework of "gateways" to help readers conceptualize participation and civic engagement--even democracy itself--with reference to how individuals access the political system. This approach helps readers better see the relevance of government in their lives.

GATEWAYS uniquely incorporates policy into a section at the end of each chapter, helping readers better understand the connection between public opinion, policy-making and how public policy applies to their lives. The second edition, complete with 2012 election updates, emphasizes critical thinking by clearly outlining learning outcomes and enhancing learning with self-assessment "Checkpoints" and a clear chapter study plan.
