Caroline Blake is just what she appears-the beautiful spoiled daughter of a wealthy Southern plantation owner. She has come of age and needs a husband; preferably not one that her father already has in mind for her. After spying on the servants and learning what passion lies beneath us all she sets out to explore her own deep desires.

Testing the limits of gentile southern society and her father's patience she romps her way through the summer heat learning what lust is all about until she meets her fate.

Randy Lowe is the son of a politician and the despised enemy of Caroline's father. Can he tame the wild and spirited Caroline enough to make her his wife and bring the two warring families together?
