When after 243 years in cryogenic suspension, multi-billionaire, Robert de Groot awakes to a world in which immortality is his for the taking he has to decide. Does he want a life of eternal youth, that will go on indefinitely? Can he trust the beautiful immortal Yvonne or the scheming mortal, JJ Tyrone? Is this world without poverty or war really the Eden it appears to be? Something seems missing, but what? Why has mankind with all the technological advances not strived to reach the stars? With his tremendous wealth, Robert pursues these questions. He finds himself an outsider, never able to be a part of the bored, immortal elite, nor a part of the more alive, ordinary mortals.
