Introductory Maternity Nursing N. Jayne Klossner MSN RNC

This full-color LPN/LVN-level textbook presents maternity nursing using a nursing process framework. Throughout the text are features that help students develop critical thinking skills and apply content to practice—such as nursing procedures, nursing care plans, clinical pearls, patients' and caregivers' stories, critical thinking questions, cultural snapshots, family teaching tips, and over 200 illustrations. Each chapter is followed by an integrated study guide/workbook with NCLEX®-style questions, Critical Thinking: What Would You Do? scenarios including dosage calculations, and Study Activities including Internet activities.

Introductory Maternity Nursing is an ideal complement to Hatfield, **Broadribb's Introductory Pediatric Nursing, Sixth Edition**. Instructors who prefer a combined maternity/pediatric text can use Klossner/Hatfield, **Introductory Maternity and Pediatric Nursing**.

From reader reviews:

Ruth Walker:

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining such as comic or novel. Typically the Introductory Maternity Nursing is kind of e-book which is giving the reader unstable experience.

Tara Carlson:

The publication with title Introductory Maternity Nursing includes a lot of information that you can discover it. You can get a lot of profit after read this book. This kind of book exist new knowledge the information that exist in this book represented the condition of the world now. That is important to yo7u to find out how the improvement of the world. This book will bring you inside new era of the the positive effect. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

Michelle Bachman:

Precisely why? Because this Introductory Maternity Nursing is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such remarkable way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

Ada Peterson:

This Introductory Maternity Nursing is brand-new way for you who has curiosity to look for some information because it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or perhaps you who still having little digest in reading this Introductory Maternity Nursing can be the light food for you because the information inside that book is easy to get by anyone. These books produce itself in the form and that is reachable by anyone, yep I mean in the e-book web form. People who think that in publication form make them feel drowsy even dizzy this book is the answer. So there is absolutely no in reading a reserve especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book kind for your better life as well as knowledge.
