"I never wanted to be in the cancer survivors club. But, then, I never wanted to be in AARP, either!"

Barbara Johnson laughingly lifted millions of readers out of the depths of despair with her book *Stick a Geranium in Your Hat and Be Happy*. In that classic volume of humor and encouragement, she shared how God's gift of joy helped her survive the deaths of two sons and the eleven-year estrangement of another son who was lost in the homosexual lifestyle.

Now that same laughter-lined attitude has sustained Barbara during a life-threatening battle with cancer? a battle in which she never lost her bubble of joy. *Plant a Geranium in Your Cranium* is the inspiring yet funny story of Barbara's journey through a year of illness, frustration? and abundant humor. It's a joyful chronicle of her own experiences combined with dozens of hilarious anecdotes and cartoons sent to her by others who share her belief in the healing power of laughter.
