The Mammoth Book of Eyewitness World War I: Over 180 First-Hand Accounts of the War to End All Wars Jon Lewis

The Great War haunts the world still. It slaughtered a generation of young men; claimed limbs, wounded souls; drenched battlefields in blood; made sad legends of the Western Front, Gallipoli, and Jutland, and made heroes of poets; farmers, and factory workers. Clerks it made into Tommies, doughboys, or the Hun. And in this new Mammoth volume the voices of such eyewitnesses to history as these are heard again. So are the words of generals, statesmen, and kings. From the trenches in Flanders to the staff rooms of the Imperial German Army, with the Land Girls in England and U-boat crews in the Atlantic, alongside T. E. Lawrence in Arabia's desert and the Red Baron in the air—with a variety of extracts from letters, speeches, memoirs, diaries, and dispatches, this gripping collection covers each year and every facet of World War I. Among its wide range of witnesses are King George V, Robert Graves, Leon Trotsky, Erwin Rommel, Ernst Junger, Ernest Hemingway, American aviator Eddie Rickenbacker; and Winston S. Churchill. The pieces in this volume compose a stirring human drama of the conflict that redrew the map of the modern world and determined the political course of the twentieth century.

Rene Hudson:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful

photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Mammoth Book of Eyewitness World War I: Over 180 First-Hand Accounts of the War to End All Wars can make you feel more interested to read.
