As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated.
