Maybe a little distraction is exactly what she needs.....

With a deadline looming and writer's block hampering her efforts, Maggie McCoy, Best Selling Romance Writer, jets to the Florida Keys for a much needed getaway and inspiration.

Her plans to be alone die the moment she meets Jake Hatfield. She needs to clear her head and get her book written so her fans don't abandon her, but he soon proves too much of a distraction for serious-minded Maggie. Soon she finds herself immersed in a lifestyle like those of her novel's heroines. From motorcycle rides to a full-moon party and kissing under the stars, it's all Maggie can do to keep herself focused.

Falling for a sexy man was never a part of the plan, but in him she finds that there's room in her life for more than she could have ever imagined. Never having planned to fall in love in paradise, what is Maggie to do?

What Tomorrow Brings is a contemporary, women's fiction romance, with a little spice, set in a tropical paradise like no other, the Florida Keys. A saga that includes a rich, wealthy hero and independent female whose lives are turned upside down. Kick your feet up and forget about everyday problems. These books by Cyndi Raye are full of adventure, mystery, relationships and love, even some spies and suspense thrown in at times.

This is book #1 of 3.
