A History of Russia: Volume 2: Since 1855

Nicholas V. Riasanovsky, Mark Steinberg

A History of Russia: Volume 2: Since 1855 Nicholas V. Riasanovsky, Mark Steinberg

Now completely revised in this seventh edition, *A History of Russia* covers the entire span of the country's history, from ancient times to the postcommunist present. Featuring a new coauthor, Mark Steinberg, this edition offers extensively updated material based on the most current research, including documents from recently opened archives. Keeping with the hallmark of the text, Riasanovsky and Steinberg examine all aspects of Russia's history--political, international, military, economic, social, and cultural--with a commitment to objectivity, fairness, and balance. This seventh edition contains a wealth of new images and a fully revised bibliography and reading list. Two new chapters on politics, society, and culture since 1991 explore Russia's complex experience after communism and discuss its chances of becoming a more stable and prosperous country in the future.

Widely acclaimed as the best one-volume history available, *A History of Russia* is being offered in paperback for the first time. In addition to the one-volume version, it is now also available in two split volumes--the first covers early Russia through the nineteenth century and the second ranges from 1855 to the present. Volume II features an additional introductory chapter that links Russia's modern history to the events that preceded it.
