All books can be read as a stand alone or in order of the series. Road to Reason also happens to be the first of the Harpers to get their own book, leading right into the next series, The All Series!

Determined, goal-oriented Kaitlin Harper has managed to achieve most everything she has set her sights on, with the exception of one thing. No matter how hard she's tried, or how much she's changed, she can't seem to fulfill the one remaining goal at this point in her life. And now it seems that goal is further out of her reach than ever before.

Attorney Ryan Mathews is a known playboy. Many have tried to tame him, but he's always managed to slip out of their grasp. Of course there is a reason for everything he does. A reason he has kept a secret from everyone.

Ryan may be the answer to Kaitlin's problem, but at what cost?

Mature content, not intended for under 18 years of age.
