"Very helpful" -- Sarah McDonald

"Posttraumatic stress disorder (PTSD) develops after a terrifying suffering that involved physical or psychological harm or the threat of physical or psychological harm. Persons suffering from PTSD experience recurrences of the terrifying situation. Educating yourself with this book is something I will highly recommend to anyone particularly for people suffering from PTSD or have family members or friends suffering from PTSD." -- Ivan Jerk

"This book is a great guide for those out there trying to overcome a serious problem that they've once experienced in their lives. PTSD (post traumatic stress disorder) should not be overlooked. I've known someone with this disorder, and trust me, all is not well with him. The strategies and guidelines that this book presents will surely help out with reducing the effects, but it's best to seek professional help. Still a great book though - recommended!" -- Jack Black
